Ceedji

This timeless classic has been designed to reflect light day or night. The Ceedji is available with single and double arm mast arm and is made of textured aluminium.

Specifications

Ceedji bracket is made by sand casting with AlSi7Mg aluminium alloy. Steel shaft is made with high strength steel S420. The tube's seam weld is formed by Plasma, and is smooth with no visual appearance. Minimum taper rate 15mm/m. Available from 5.00m to 8.00m high and with 0.30 and 0.80m span. Finish: Baked polyester powder coat. Equipped with Soprano hinge door as standard. Designed according to EN40 Standard and CE marked.
